Re: *United States v. Kari Parker*, 19 Cr. 131 (PAE)

Dear Judge Engelmayer:

The Government submits this letter, with the consent of the Probation Offices for the United States District Courts for the Southern and Eastern District of New York (the "Probation Offices"), to respectfully request that any notes and chronologies maintained by the Probation Offices that reference statements made by Jelani Parker, the brother of Kari Parker, the defendant, regarding the domestic violence incident on April 8, 2020, be unsealed and produced to the Government and defendant.

The Government has been informed by the Probation Offices that their files cannot be turned over without an order from the Court unsealing them. As the Court is aware, the defendant has indicated his intention to call to the stand Jelani Parker when the defendant's violation of supervised release hearing continues on November 22, 2022. From discussions with Probation Officers Jeffrey Steimel and Craig Schneider, the Government understands that the notes and chronologies maintained by the Probation Offices likely contain material regarding statements made by Jelani Parker with respect to the April 8, 2020, domestic violence incident. Accordingly, the Government respectfully requests that these materials be unsealed.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney
